Le coupeur est conçu pour utiliser avec du cuir Licorice, du cordon en cuir et caoutchouc, et de la corde. Le coupeur n'est pas fait pour couper des métaux comme du fil d'artisanat, du fil de mémoire, ou de la chaîne qui pourrait endommager la lame.

The cutter is excellent for use on Licorice Leather, rubber cord, leather cord and rope. The cutter is not for cutting metals such as craft wire, memory wire or chain which can damage the blade.
