On the last headpin, string six XILION Beads 5328 4mm Palace Green Opal and one Helix Bead 5020 6mm. Turn a small loop at top of headpin.
- STEP 3: String one end of wire through a crimp bead, then through the 6mm jump ring and back through the crimp bead. Crimp the bead to secure.
- STEP 4: String on 63 XILION Beads 5328 4mm Black Diamond the 4mm jump ring and 63 more 4mm XILION Beads 5328 Black Diamond.
- STEP 5: String on a crimp bead, string the wire through the loop at the bottom of the lobster clasp and then back through the crimp bead. Pull the wire to take up any remaining slack in the wire, (do not pull too tight - Beads should drape easily). Crimp the crimp bead to secure. - STEP 6: Open the 4mm jump ring in the center of the necklace and attach the flower pot to it by the loop on the headpin of the center flower.
