CONVINCING BRILLIANCE AND RELIABILITY

- Distinctive, design-protected LUMINOSA KRISTALE cut featuring varying 9 big and 3 small facets.
- Perfect geometry across all sizes.
- Add brilliance through innovative manufacturing methods and enhanced light return and fire.
- Complex look clearly discernible by the end consumer.
- Striking consistency of colour and size—from the smallest to the largest crystal.

FAST APPLICATION AND PERFECT ADHESIVE RESULTS

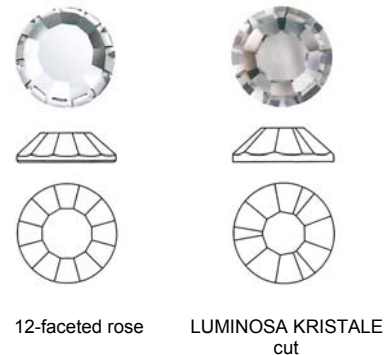

- LUMINOSA KRISTALE Flat Backs feature high-tech foiling and hotfix glue.
- Easy, fast and durable application.
- Suitable for the use on heat-sensitive materials, such as cashmere, silk or satiny.
- High resistance to environmental influences (e.g. perfume, chloride or salt water).
- Highest wash resistance in its category.
